**TIDINGS OF GREAT JOY!  
WELCOME BISHOP RAMON!**

**Fourth Sunday of Advent  
Sunday, December 21, 2025**

Dear Friend of Carmel Mission,

In the Gospel today we learn about the remarkable contribution of one of the unsung heroes of the Christmas story – Joseph. Joseph models for us the importance of listening to stories and experiences that are not necessarily our own. He surely struggled to understand Mary’s experience and was filled with questions about the strange circumstances surrounding her pregnancy. Certainly, the dream-world visit of the angel raised just as many questions as it answered, but Joseph reserved judgment and listened with an open heart to the working of God in his midst.

One thing that the angel’s visit confirmed is that God had a plan. God did then, and does still today, have a plan. This is the central proclamation of the prophet Isaiah in the first reading, and the apostle Paul in the second. God is active in the world around us, and all God’s creation can point to God’s presence. We may not have a visit from an angel with explicit instructions, but as we cultivate our relationship with God through prayer and the Sacraments, we can open our hearts to God’s guidance as Joseph did. God’s plan may seem a mystery to us at times, but that does not make it something to fear. Mysteries in modern parlance often imply a knowable problem to be solved. Mysteries in faith are entirely different. Mystery is something that is infinitely unknowable. No matter how much we learn, we can never comprehend its entire breadth and depth. This was certainly true for Joseph, who had a front row seat to the mystery of the Incarnation. He did not have a complete comprehension of the mystery, but he had what he needed – faith in the goodness of God’s plan, trust in God’s providence, and an openness and obedience to God’s messages and messengers.

In less than a week, God will break in to human history again with the greatest love the world has even known. I invite you to join me in using these final days of Advent preparation to follow the example of Joseph and create an open, willing, and trusting place in our hearts for God to enter this Christmas season.

I wish you and your loved ones Advent blessings of good health and true peace and may you experience the fullness of Christmas joy,

Fr. Paul

### Pastoral Message to the Faithful on the Appointment of Our New Bishop

Dear Brothers and Sisters in Christ,

I write to you with gratitude to God to share important news in the life of our diocesan Church.

On December 17, 2025, the Holy Father appointed Bishop Ramón Bejarano, currently serving as Auxiliary Bishop of the Diocese of San Diego, as the next bishop of the Diocese of Monterey. We receive this announcement with joy, grateful for the Lord's providential care for His people and the guidance of the Holy Spirit, who continues to sustain the Church in every age.

The appointment of a bishop is a significant moment for a local Church. As a successor of the Apostles, the bishop is entrusted with the ministry of teaching, sanctifying, and governing the People of God in the name of Christ, the Good Shepherd. As we prepare to welcome Bishop Bejarano, we are invited to renew our commitment to prayer, unity, and faithful discipleship.

I ask all the faithful of the Diocese of Monterey—priests, deacons, consecrated religious, and lay faithful—to join me in praying for Bishop Bejarano as he prepares to assume this new pastoral responsibility. May the Lord grant him wisdom, humility, and pastoral charity, and may the Blessed Virgin Mary and all the saints intercede for him as he prepares to serve our diocesan family.

I am grateful for the opportunity to serve the Diocese of Monterey during this time as Apostolic Administrator, and I thank the clergy, religious, and lay faithful for your prayerful support and faithful witness. I also give thanks for the continued pastoral care of the Holy Father, who, in appointing our new bishop, provides for the needs of the Church entrusted to him.

Details regarding Bishop Bejarano's installation will be shared once arrangements have been finalized. Until then, let us continue to walk together in faith, confident that the Lord remains ever present to His Church.

Entrusting the Diocese of Monterey to the intercession of the Blessed Virgin Mary, Our Lady of Bethlehem, and Saint Junípero Serra, I remain

Sincerely yours in Christ,

+Most Reverend Slawomir Szkredka  
Apostolic Administrator of Monterey in California

November 2025,

Dear Friend of Carmel Mission,

As we celebrate the wonderful Thanksgiving holiday, I'm availing of this timely opportunity to express my most sincere thanks to you. I thank you for sharing your time, your talents, and your treasure with our parish family. Your precious assistance has enabled us to achieve so much in the last year.

I constantly draw strength and energy from the example of our beloved founder, Saint Junípero. I find his optimistic and hopeful approach to life both inspiring and instructive. He set out from his home on Majorca with a passionate desire to bring Good News to the 'New World' of California. We embrace and continue his mission in our day.

There is a sense in which we are all facing a 'New World'. The pace of change has rapidly accelerated. Social media and Artificial Intelligence are having a profound influence on our culture and lifestyle. But here at Carmel Mission, we move, in the words of Saint Junípero, 'Siempre Adelante', 'Always Forward', seeking new ways to share the Good News of Jesus Christ. We face the future with confidence in Christ, and with great hope in our hearts.

We have begun to use Artificial Intelligence here at Carmel Mission in order to assist us in presenting Saint Junípero and his mission to those who have not yet heard his story. We have here so many treasures to share with one another and with our many pilgrims and visitors. We have wonderful faith-filled stories to tell, beautiful works of art, and many priceless sacred artifacts that add color and context to our holy history.

We have recently embarked upon an exciting journey of renewal in company with ARG, a reputable firm of architects, as we implement a Strategic Master Property Plan. This plan will enable us to assess the current condition of our many buildings, their need for restoration and preservation, and how they can best serve the current and future needs of our Mission community.

We have already implemented many improvements to our facilities here at our Mission, and we will continue to make this sacred space more safe and secure and more welcoming to all who enter our doorways. We do not rush into things, but take time to study and plan all future developments.

You have supported and applauded our efforts. You have helped us greatly improve our financial situation. We have come through a challenging pandemic with our faith strengthened and our finances fortified.

There is indeed a 'New World' facing us. It is crying out for a message of meaning. We offer the ultimate message of meaning in the Good News of Jesus Christ. We are children of a loving and merciful God who deeply desires our happiness and well-being.

Once again, I thank you for being a member of our faith-filled parish family.

In the great love of Jesus Christ,

Fr. Paul

# **FINANCE COUNCIL REPORT**

The Finance Council serves as a consultative body to Fr. Paul, helping ensure responsible stewardship of parish resources and supporting the Church's mission. Its core responsibilities include:

**– Advising Fr. Paul**

Offering guidance on financial decisions, planning, and administration in accordance with Church and diocesan policies.

**– Budgeting and Oversight**

Assisting in the preparation, review, and monitoring of the parish budget to ensure fiscal responsibility.

**– Stewardship and Fundraising**

Promoting a culture of generosity and helping plan fundraising efforts to support parish ministries and operations.

**– Financial Reporting**

Reviewing financial statements and ensuring transparency and accountability to the parish community.

**– Asset and Property Management**

Supporting the maintenance and development of parish facilities and long-term capital planning.

**– Compliance and Best Practices**

Ensuring adherence to legal, ethical, and diocesan financial guidelines.

This year marked a significant milestone in the development of the Mission's Master Property Plan, made possible through the new partnership with the Architectural Resources Group (ARG). ARG has already played a vital role in the design and engineering of the improved accessibility project currently under construction at the entrance to the Blessed Sacrament Chapel. In collaboration with Mission staff, ARG is also evaluating additional areas for accessibility improvements, including the ramp entrance to Crespi Hall.

In last year's report, I highlighted our investment in MaintainX, a state-of-the-art maintenance management system. I am pleased to share that the initial data entry, covering the many details of our facilities, is now complete. MaintainX is actively supporting our staff in managing the daily upkeep of our expansive 22-acre campus.

While we moved forward with several budgeted projects this past year, we were constantly reminded of the "unplanned"—often costly and frequently complex—maintenance issues that arise daily. We are deeply grateful to our Mission staff for their prompt and effective response to these ongoing challenges.

As noted elsewhere in this Annual Report, Carmel Mission remains in a strong financial position, thanks to the continued generosity of our parishioners. Although we were fortunate to have achieved a budget surplus again this past year, ongoing contributions remain essential to support the extensive restoration, enhancement, and preservation needs of Carmel Mission.

On behalf of Fr. Paul, I extend heartfelt thanks to the members of our Finance Council for their dedicated service and unwavering support throughout the year.

Tim Lewis

Finance Council Chair

# FINANCIAL OVERVIEW

We are happy to report a healthy fiscal year that ended with a significant surplus over our budget due in large part to a number of generous contributions.

## **Savings & Debt**

Our current debt totals \$835,770 which is an 8.55% reduction from last year. Without question, the greatest impact on our debt reduction has been due to the overwhelming generosity of our parishioners.

## **Income**

On the revenue side, our plate collections equaled 100.60% of the prior year.

## **Expenses**

Fr. Paul kept expenses under the budgeted amounts. Total expenses were 86% to budget.

## **Restoration Work**

Several key restoration projects were continued from 2023-24 and several new projects were initiated.

## **Generous Gifts**

Carmel Mission is very fortunate to receive generous and unique gifts, and 2025 was no exception. Significant restricted gifts will continue to assist us with our expected repairs and maintenance in 2025-2026. Kindly contact Fr. Paul if you have any gifts you would consider donating to the Carmel Mission.

## **Impactful Conditions**

We saw a 2% increase in visitors to Carmel Mission this past year, and we hope this upward trend continues along with local area tourism. We also welcomed 126 new parishioners this past fiscal year.

## 2024 & 2025 AMA CAMPAIGN UPDATES - BSC & MORA CHAPEL

We are very happy to report the success of our 2025 AMA Campaign - The Mora Chapel – A Place of Living History. Our AMA total to date is \$325,390 (including our \$75,900.00 donation to the Diocesan ministries). Though we promote our annual fundraising campaign in the early to late spring, we continue receiving donations until the end of the year.

### AMA Updates

- We continue to work diligently on developing the 2025 Mora Chapel restoration and conservation projects and will share details in upcoming bulletins and on our AMA webpage.
- In the Blessed Sacrament Chapel, the pews have been restored and upholstery has been added. The ramp construction is in progress and the floor will be refinished.

## CARMEL MISSION LEGACY SOCIETY

### Purpose and Mission

- **Preserves our parish's future:** Launched in 2023, our Legacy Society will help ensure long-term financial stability by encouraging bequests, charitable trusts, and other planned gifts that go beyond weekly offertory collections.
- **Supports ministries and outreach:** These gifts fund faith formation, hospitality, outreach, and administrative programs that annual budgets might otherwise limit.
- **Affirms Catholic values:** Leaving a legacy gift is a profound expression of faith, gratitude, and stewardship—an act of giving forward to the Church that nurtured one's spiritual life.

### Parish and Community Impact

- **Strengthens parish identity:** When parishioners contribute to the Mission's own Legacy Society, it reinforces their personal connection to the community where they received sacraments, raised families, and worshipped regularly.
- **Builds intergenerational continuity:** Legacy gifts allow future generations to benefit from the same spiritual and communal resources, preserving traditions and Carmel Mission's facilities for decades to come.

### Practical Benefits

- **Diversifies funding sources:** Legacy gifts supplement regular offertory income, helping Carmel Mission weather economic fluctuations and fund capital improvements.
- **Promotes estate planning with faith in mind:** Our Legacy Society offers support to help our parishioners align their estate plans with their spiritual values.

Parishioners are encouraged to consider leaving 1% (or more) of their estate to the Mission, with the remaining 99% going to other beneficiaries. For details, visit [carmelmission.org](http://carmelmission.org), select the Support the Mission tab, then choose Planned Giving or Legacy Society FAQs. You can also contact the Parish Office at 831-624-1271

## ELECTRONIC BULLETIN ADVERTISING

We are most grateful for our advertisers in our bulletin. Please carefully consider advertising your business or service in our electronic bulletin. And, please support those who advertise.

## SACRAMENTS

Our Sacraments showed an increase over the prior year. This year, our parish celebrated 59 weddings, 19 funerals, and 33 baptisms.

## WEDDINGS

Carmel Mission is proud to welcome many couples to celebrate the Sacrament of Marriage. The historical significance as well as the great beauty of our Mission Church attracts couples not only from our local area, but from all over the country and even internationally. Each wedding is unique, and our team works hard with each couple to ensure the best possible experience of this very special moment in their lives. It is a blessing to be a part of the promise of love that couples make before God, and those dearest to them. We are happy to again win the Golden Pinecone for the Best Place To Be Married on the Monterey Peninsula.

## FAITH FORMATION

As we head into another faith-filled Advent, we are happy to share with you the good news of a thriving Faith Formation program. Here at Carmel Mission Basilica, we are blessed to have 34 high school students preparing for the Sacrament of Confirmation, and 22 elementary-aged students preparing for their First Holy Communion. We are also happy to announce our newly formed Teen Girl High School Prayer Group. Your prayers in our community of faith are always appreciated as the youth of our parish nurture their relationship with God.

## MINISTRIES

We are fortunate to have many vibrant ministries at Carmel Mission. Our ministries support the spiritual and sacramental life of our parish family. They help us welcome and educate the many pilgrims and visitors who visit the Mission each year. They allow us to reach beyond our walls to share the good news of God's love, as well as offering much-needed practical assistance and support, to those in need. We are grateful to the many volunteers who contribute their time, talent, and treasure to support our ministries and allow them to thrive and grow.

## FLOWER MINISTRY

We are most appreciative of the parishioners who have helped expand the availability and use of the beautiful flowers adorning our altars. These arrangements are a beautiful honor to those we celebrate at our masses. They greatly enhance the sacred environment for our community. Thank you for your continuing support.

## STREAMING MASS

We have many parishioners who have not been able to attend our masses in person. Your contributions have allowed us to obtain the equipment necessary to livestream our 9 a.m. mass every Sunday. It is also available at other times for you to view online at your convenience. We encourage all who cannot physically attend Mass to join us via this platform. Many parishioners have expressed their thanks for this opportunity to attend Mass in this manner. Many thanks to all who contributed to our AMA campaigns, which made this gift to our community possible. (Sign up for our YouTube channel)

## Scripture Reflection

Today's Gospel brings to the fore the situation of Joseph, whose culture had little tolerance for a formally betrothed woman who is found to be with child by someone other than her intended. Joseph is a righteous man, faithful to all the demands of the Jewish law. The strictest interpretation of the law would call for the death of the apparently adulterous Mary. But Joseph is unwilling to denounce her publicly and searches for a way out. There cannot be a secret divorce, it requires two witnesses, and Mary's pregnancy cannot be hidden for long. Joseph's first solution is to avoid public trial and divorce Mary quietly without declaring the reasons. This solution would preserve Joseph's reputation but Mary would still be exposed to public shame. The only way to preserve Mary's honor is for Joseph to complete his marriage to her and adopt the child as his own. In order for Joseph to make this choice, he has to shift focus away from concern about his own righteousness and turn emphatically toward Mary. Only when he can make her the center of his attention, allowing himself to feel her distress, can he make the divinely directed choice that will uphold her honor at the price of his own. This is what St. Paul calls the "obedience of faith" in his letter to the Romans. For Paul, obedience is not blindly following commands, but comes from hearing, "and what is heard comes through the word of Christ. In the Gospel, Joseph's ability to hear with his heart the cries of his beloved Mary as well as the voice of our empathic God leads to his faithful obedience. Matthew's narration of the Gospel reinterprets the words of Isaiah in the first reading – a sign that in Isaiah's time prophesized destruction in Israel under Ahaz, would now, by the Virgin Mary and her Son Jesus, bring restoration and life to the whole world. St. Paul references God's promise through the Holy Scriptures, which has seen realized in Jesus. St. Paul, as apostle to the Gentiles would play an important role in bringing God's plan of salvation to all peoples. The psalm response is in two parts: the speaker invites God to act, because he recognizes who God is. As we near the close of Advent, we invite God into our hearts one final time "Let the Lord enter: He is the King of glory."

# ACT OF SPIRITUAL COMMUNION

My Jesus,

I believe that You are present in  
the Most Holy Sacrament.

I love You above all things,  
and I desire to receive You into my soul.

Since I cannot at this moment  
receive You sacramentally,

come at least spiritually into my heart.

I embrace You as if You were already there  
and unite myself wholly to You.

Never permit me to be separated from You.

Amen.

## Altar Flowers Opportunity

Here at Carmel Mission we are very fortunate to be surrounded by natural beauty in our wonderful gardens, and we receive feedback from parishioners and visitors alike on how much they enjoy the flowers, plants and trees on our property. The beauty of nature is a concrete reminder of the beauty of God, in whose image we are made. When we enjoy beautiful flowers, plants and trees we are celebrating God's gift of the natural world.

We are so happy to continue the beauty of altar flowers at our Masses each week. We invite you to consider sponsoring a bouquet for \$90 in memory or honor of a loved one, to celebrate a birthday or anniversary, or in thanksgiving to God.

The altar flowers will be a part of our weekend Masses and your dedication will be included in our weekly e-bulletin.

Please contact Laura at [liturgy@carmelmission.org](mailto:liturgy@carmelmission.org) for more information and to schedule your gift. Thank you so much for your generosity and for helping to ensure that these symbols of beauty and life are part of our weekly celebrations.

THIS ARTICLE RAN IN THE MONTEREY HERALD ON AUGUST 2

The Carmel Mission Basilica is launching a strategic master plan initiative with a goal of creating a guide to preserve, restore, and utilize this iconic landmark that has attracted the faithful and visitors to Carmel since it was built more than 250 years ago.

The development of the comprehensive Master Property Plan will be in partnership with Architectural Resources Group, a nationally recognized preservation and planning firm out of San Francisco.

Architectural Resources Group was founded 45 years ago and specializes in architecture, historic preservation, adaptive reuse, and planning with projects across California and the Western United States. Locally, its portfolio includes the Cooper-Molera Adobe Historic site in Monterey and the Sunset Center in Carmel.

The architectural firm says that since its beginning, it has had the privilege of working with great clients and consultants on projects that preserve, protect, and adapt historic buildings, sites, and objects for a new generation.

"We're honored to continue our work with Carmel Mission. This is a pivotal project for the Mission and for the wider community", said David Wessel, principal at Architectural Resources Group, in a press release. "Our goal is to create a plan that respects Carmel Mission's rich past and supports its thriving future."

Carmel Mission Basilica says this initiative marks a milestone in the mission's commitment to stewarding its historic buildings, sacred spaces, and cultural resources for future generations.

Carmel Mission, or Mission San Carlos Borromeo de Río Carmelo, was founded in 1771 by Father Junipero Serra, who was canonized in 2015 and is now known as Saint Junipero Serra. He is buried under the sanctuary floor. The mission was the second mission founded by Serra, and where he established his headquarters. It is designated a National Historic Landmark, is one of California's most visited historic sites, and continues to serve a vibrant parish community within the Diocese of Monterey.

The new Master Property Plan will guide the preservation, restoration, and use of the 22-acre site, which includes the Basilica Church, museums, courtyards, cemetery, and other historic structures, according to Carmel Mission. Architectural Resources Group brings decades of expertise in working with culturally significant sites, including previous work with missions, churches, and historic campuses across the West.

"This is a moment of renewal," said Father Paul P. Murphy, pastor of the Carmel Mission Basilica, in the release. "We are embracing our responsibility to protect the sacred and historical integrity of this site, while also ensuring it can meet the evolving needs of our parish and the wider community."

The planning process will include input from parishioners, community members, preservationists, and expert restorative professionals, according to Carmel Mission. Priorities include seismic safety, accessibility improvements, landscape conservation, infrastructure modernization, and enhanced interpretive and visitor experiences.

Development of the Master Property Plan is expected to continue through 2026.

The Carmel Mission has undergone other restoration projects in the recent past, namely the Downie Museum and Basilica Forecourt project in 2021, the Central Courtyard project in 2016, and the Carmel Mission Basilica's structural restoration in 2013.

But the Carmel Mission has a long history of restoration beginning in 1877, when Fr. Angelo Casanova stepped in to save a church reduced to ruins, according to Carmel Mission Basilica. With the roof collapsed and walls crumbling, he paid \$44 to re-roof the sacristy. What started as a humble act became an enduring commitment to restore Carmel Mission's historic fabric for generations to come.

In the early 1900s, Monsignor Ramon Mestres founded the Carmel Mission Restoration League, spearheading major restorations and earning the title "Padre of the Restoration." Then in 1933, master restorer Harry Downie began five decades of meticulous rebuilding, working under the direction of multiple pastors throughout his tenure to transform the Mission into what we see today.
