**Third Sunday of Easter,
Sunday, April 19, 2026**

Dear Friend of Carmel Mission,

Today's Gospel reading is one of the more familiar stories from the post Resurrection period where Jesus is revealing His Risen Self to His disciples. Jesus encounters Cleopas and his companion on the road to Emmaus, a village seven miles from Jerusalem. He joins their party but does not yet reveal Himself to them. Jesus knows that the disciples have experienced serious trauma. Not only did they watch their friend and teacher die a brutal death, but now they have heard stories of angels and an empty tomb. Their lives are changed forever, and as they are walking along, they are talking and trying to make sense of their experience, even asking Jesus, "Are you the only visitor to Jerusalem who does not know of the things that have taken place?" (Luke 24:18)

Of course, Jesus knows what happened in Jerusalem. Jesus lived these events personally. But rather than shifting attention to Himself, Jesus simply listens and invites the disciples to share their own experiences and story. He does not interrupt. He does not challenge their feelings or emotions. Jesus listens. This mirrors the relationship we have with God in prayer. God knows what is happening in our lives and God knows, often better than we ourselves do, what we truly need. God also knows that talking about things is how we humans process our emotions. God invites us in prayer to talk to Him, to tell Him our joys, and our pain, and our fear. God will listen, without judgement, and with deep care and love.

Of course, in the end, this Gospel is a wonderful Eucharistic story. The disciples recognize Jesus in the breaking and sharing of bread. But with its emphasis on listening, this story also reminds us of the importance in our ever more divisive world, of the need to follow Jesus' example and truly listen to the reality of others, reserving our judgment and setting aside our own agendas. When people listen and when people are truly heard - when they have the opportunity to share their lives and experiences - relationship and trust develops, even across unlikely divides.

I wish you and your loved ones Easter blessings of great joy and new hope. Please continue to pray for peace,

Fr. Paul

**Diocesan Decree for the
Year of St. Francis of Assisi**

Pope Leo XIV has proclaimed a special Jubilee Year from January 10, 2026, to January 10, 2027, to commemorate the eight hundredth anniversary of the death of Saint Francis of Assisi.

The Apostolic Penitentiary issued a decree granting the Plenary Indulgence under the usual conditions which can also be applied in the form of suffrage for the souls in Purgatory.

Besides offering the indulgence to all the Franciscan Families and anyone who observes the Rule of St. Francis, all the faithful without distinction can receive the indulgence *“by visiting in the form of a pilgrimage any Franciscan conventual church, or place of worship anywhere in the world dedicated to St. Francis or connected to him for any reason, and there they will devoutly follow the Jubilee rites or spend at least a suitable period of time in pious meditation and will raise prayers to God so that, following the example of St. Francis, may sentiments of Christian charity towards one's neighbor and authentic wishes for harmony and peace among peoples spring up in hearts, concluding with the Our Father, the Creed and invocations to the Blessed Virgin Mary, St Francis of Assisi, St Clare and all the saints of the Franciscan Family”* (Eighth Centenary of the death of St. Francis of Assisi, Apostolic Penitentiary Decree).

Therefore, I, the Most Rev. Ramon Bejarano, Bishop of the Diocese of Monterey, decree that the following churches/chapels are the pilgrimage destinations in this diocese for this special Jubilee.

1. **Old Mission San Juan Bautista and St. Francis Retreat Center, San Juan Bautista**, in the north of the Diocese.
2. **St. Paul the Apostle, Pismo Beach, CA** in the south of the Diocese.

The elderly, the sick and those who for serious reasons cannot leave home will also be able to obtain the plenary indulgence by spiritually joining the Jubilee celebrations and offering their prayers, pains, or sufferings to God.

Conditions for receiving the Indulgence *(for oneself or for the deceased)*

- Sacramental confession to be in God's grace *(within twenty days before or after)*.
- Participation in Mass and Eucharistic Communion.
- Visit in the form of a pilgrimage any Franciscan conventual church or place of worship dedicated to St. Francis anywhere in the world or designated by the local bishop.
- Renews one's profession of faith, through the recitation of the Creed.
- Recite the Lord's Prayer.
- Pray for the intentions of the Holy Father.

Scripture Reflection

Today's Gospel is a story of how Jesus' followers moved from expectant wishing to being grounded in hope. They had been wishing for someone who would rescue them from bondage, someone who would single-handedly transform their situation for them. They likely thought this would happen through a violent transfer of power. What they received instead was a new story, a new way of seeing, and hearts inflamed with hope. The door was opened to a new way of being for them and for us that far transcended anything for which they had wished. While blindly fleeing Jerusalem because things did not work out well, the disciples come to see that Jesus' death is not the end of all their wishful longings nor an isolated act that rescues them but a culminating point of an entire way of life that embodies hope. In the breaking of the bread, the disciples do not just see a changed Jesus, they come to see the whole world as changed. Jesus has liberated them from sin and death, but the saving work is not completed until the disciples embrace His way of living. Cleopas and his companion are able to choose to return to Jerusalem, a city that kills the prophets (Luke 13:34) and could kill them, when their eyes are opened. Sight is transformed not so much in one magical moment but in a lengthy process of praying and studying the scriptures, of walking with others and struggling to understand their perspective, of daily taking, blessing, breaking, and sharing the bread in Eucharistic gatherings, all the while urging Jesus to "stay with us." In Jerusalem, Cleopas and his companion rejoin the gathered community that has been likewise transformed. Together with the women who had gone to the tomb, and Simon, they see with new eyes and tell a new story, able now to lead others in the ongoing journey of hope. In the Gospel we see the disciples encounter the risen Christ on the road to Emmaus. In the first and second readings we see what the impact of this encounter can look like through Peter's example. At Pentecost, Peter proclaims the risen Christ to the crowds at the feast. In his letter he challenges his audience to live rightly, keep in our mind our redemption through Jesus' death and resurrection. In the first reading, Peter uses the psalm in his speech as evidence of the resurrection of Jesus. God will not be bound by death, leading us instead on the path of life.

ACT OF SPIRITUAL COMMUNION

My Jesus,

I believe that You are present in
the Most Holy Sacrament.

I love You above all things,
and I desire to receive You into my soul.

Since I cannot at this moment
receive You sacramentally,

come at least spiritually into my heart.

I embrace You as if You were already there
and unite myself wholly to You.

Never permit me to be separated from You.

Amen.

Altar Flowers Opportunity

Here at Carmel Mission we are very fortunate to be surrounded by natural beauty in our wonderful gardens, and we receive feedback from parishioners and visitors alike on how much they enjoy the flowers, plants and trees on our property. The beauty of nature is a concrete reminder of the beauty of God, in whose image we are made. When we enjoy beautiful flowers, plants and trees we are celebrating God's gift of the natural world.

We are so happy to continue the beauty of altar flowers at our Masses each week. We invite you to consider sponsoring a bouquet for \$90 in memory or honor of a loved one, to celebrate a birthday or anniversary, or in thanksgiving to God.

The altar flowers will be a part of our weekend Masses and your dedication will included in our weekly e-bulletin.

Please contact Laura at liturgy@carmelmission.org for more information and to schedule your gift. Thank you so much for your generosity and for helping to ensure that these symbols of beauty and life are part of our weekly celebrations.

RESTORATION: AT THE HEART OF OUR IDENTITY

**Please Watch this Video Message from Fr. Paul:
An Update on Our AMA Projects & the Story They Tell**

From the earliest days of Carmel Mission's history, restoration has never been simply a practical necessity — it has been an act of faith. Since its foundation, generations of parishioners, benefactors, clergy, and staff have poured their hearts into caring for and preserving this sacred place. Today, we are proud to share that we are living through one of the most significant periods of restoration in Carmel Mission's modern history.

Thanks to your generous support of our Annual Ministry Appeal (AMA), more conservation, preservation, and restoration work has been completed than in any other period of the Mission's history. The last 12–15 years mark the beginning of what we believe will be remembered as Carmel Mission's Modern Restoration Era, a time during which we all witnessed the canonization of St. Junipero.

Every dollar you have given to our AMA designated projects has gone — and will continue to go — directly toward this work.

A LIVING LEGACY OF STEWARDSHIP

Did you know that virtually every building at Carmel Mission, outside of the Basilica itself, has changed its purpose over the centuries? Crespi Hall once stood in the middle of our central courtyard. Each of these historic spaces has a story — one of adaptation, resilience, and the faithful care of those who came before us.

Under the leadership of Fr. Paul, our Mission has entered a new chapter of this story. His stewardship, combined with your support, has made it possible not only to restore what exists but also to develop a comprehensive vision for the future — one grounded in structural integrity, faithful preservation, and thoughtful planning.

EXPLORE OUR RESTORATION STORY ONLINE

We have created a dedicated Restoration website — the living home for Carmel Mission's preservation history. There you'll find architectural timelines, notable benefactors, the stories of our pastors and parishioners, and updates as our work continues to grow. This is your history, too.

AMA PROJECT UPDATES

Our AMA projects are not isolated efforts — they are interconnected chapters of a single, long-term restoration plan. Work on each project also enables us to evaluate building conditions, complete structural reports, and plan future campaigns with accuracy and confidence. Here is where each project stands today:

2024 PROJECT — BLESSED SACRAMENT CHAPEL (BSC) — In Progress

Phase 1 - The ramp, handrails, and door hardware work has been completed.

Additional work on the inside of the BSC revealed termite damage, significant plaster damage, exposed electrical wiring, damaged woodwork, and much needed painting. This work is being performed now, and we will reopen the BSC when complete.

Phase 2 - We plan to expand the pedestrian plaza from the visitor entrance to the BSC north entrance patio to provide an accessible entrance without stairs.

A seismic retrofit analysis and building condition evaluation have been completed, which informs future planning for a full building restoration.

2025 PROJECT — MORA CHAPEL PRESERVATION — Active Planning

The Mora Chapel project is one of our most ambitious undertakings — a coordinated effort to protect, catalog, and temporarily relocate sacred artifacts while the chapel undergoes restoration. Key elements include:

- Complete inventory and condition reporting of all artifacts in the Mora Chapel
- Careful removal and secure temporary storage of liturgical items
- Creation of a dedicated artifact conservation and storage workspace
- Structural and seismic evaluation of the chapel building
- Community updates and media documentation throughout the process

This project will also establish long-term infrastructure for artifact stewardship at Carmel Mission — a resource that will serve us for generations.

2026 PROJECT — A SAFE PATH OF TRAVEL — Project Launch March 21 & 22

This year's AMA campaign focuses on accessibility and safety across our campus, including:

- Crespi Hall accessible ramp
- Window and carpentry repairs
- Seismic structural evaluation of Crespi Hall
- Campus-wide parking lot improvements
- Unified path of travel connecting all buildings
- Exploration of a more accessible route to the Murphy parking lot

Because of the planning work completed during prior AMA campaigns, we enter 2026 with a clear scope, known costs, and a well-developed vision — something that would not have been possible without the groundwork laid together.
